| Barry, | $i^{\mathcal{U}}$ | |
| Two | points from the DCI meeting() | |
| | The DCI expressed interest in the long term implications of the | |
| | Sandinista presence in Honduras. John Bird has asked DIA to pull together some thoughts on this. The Director asked that he get, this week contributions from DI and anything John can give him | |
| | relating to this issue, but no formal papers have been asked for. | |
